Why you will love this place

Glamorous Retail & Dining

With over 13,900 sqm of waterfront retail and dining options at Rashid Marina, residents have easy access to great cafes, restaurants, and boutiques

Economic appeal for investors

A Transformative Master Plan

Port Rashid is poised for significant long-term growth as it transitions from a historic maritime gateway into a modern, high-end waterfront district. Spearheaded by Emaar in collaboration with P&O Marinas, the area's ambitious redevelopment plan integrates luxury residential towers, a 430+ berth superyacht marina, hotels, promenades, cultural attractions, and a private beach. The district is designed to accommodate over 200,000 residents and visitors, positioning it as a key lifestyle and tourism hub in central Dubai.

Port Rashid's redevelopment reflects Dubai's broader economic strategy: leveraging its maritime heritage to build premium mixed-use destinations. Its strategic port functions support logistics and global trade, while proximity to free-zones like JAFZA enhances business incentives. Combined with scenic waterfront developments and strong resident/investor interest, the area offers solid potential for capital appreciation and rental yield

About the developer

EMAAR

Emaar Properties is the largest developer in the MENA region, with an extensive portfolio of iconic, flagship projects. The real estate giant is the mastermind that created Dubai Mall, the Burj Khalifa, Dubai Marina, Dubai Downtown and more. One of its most popular complexes, Address Residences, sold out in just a week, confirming investors' confidence in the high quality of the developer's projects.

Location & Advantages

Rashid Marina: A Glamorous Marina Development

Port Rashid lies along the Arabian Gulf between Bur Dubai and Deira. Originally Dubai's first commercial port, opening in the 1970s, today it has been transformed into a luxury waterfront destination covering over 6.8 million sq ft, with marinas, a private beach, upscale residential districts, five-star hotels (including the iconic QE2 floating hotel), promenades and parks, all integrated into Emaar and P&O Marinas masterplans.

Transport accessibility

Located near major roads such as Sheikh Zayed Road and Al Mina Road, Port Rashid benefits from seamless access to Downtown Dubai, Dubai International Airport, and Dubai Creek. The recently completed Infinity Bridge enhances east-west movement across the historic parts of the city, and several metro stations (such as Al Ghubaiba and Al Ras on the Green Line) serve the area.

Nearest attractions

Residents are close to Al Fahidi Historical District, Al Seef Waterfront, and the Dubai Museum, while the retired ocean liner Queen Elizabeth 2 (QE2) serves as a fascinating floating hotel and museum. Nearby, La Mer Beach, City Walk, and Dubai Frame offer dining and leisure experiences, while the Gold Souk and Spice Souk are both easily accessible.

Developed infrastructure

Backed by master developer Emaar and P&O Marinas, the area features modern residential buildings, a world-class marina with over 430 berths, and a planned network of retail zones, cafés, and green promenades. Residents benefit from proximity to essential services including schools, hospitals, supermarkets, and community parks.

I have been cooperating with the company for almost two months. I would like to note the professional approach of the agents and the quick response to emerging issues. The residence was picked up in three weeks, and more than 20 apartments were viewed. After choosing the property, I got a significant discount from the developer, thanks to the efforts of the agents. I am very pleased with the cooperation with Metropolitan Premium Properties!
